**Objective of the Advisory Board is to look after academic & other matters pertaining to students, staff & the college as a whole**

❖ **Frequency of the Board Meetings and Academic Advisory Body**

The Governing Body meets thrice in a year and the Academic advisory Committee meets once a month and frame out the major policies such as Resource planning, Teaching, Learning Process, Laboratory & Workshop Methods, Implementation of new educational technology etc.

❖ Organizational chart and processes

❖ **Nature and Extent of involvement of faculty and students in academic affairs/improvements**

- Academic Council has been formed consisting of all the Faculty Members, Registrar, and Librarian etc.
- Academic Committee has been formed consisting of senior faculty members for day-to-day monitoring of the academic activities.
- Regular interactions are being taken place with the student representatives in view of academic activities of the institute.
- Regular meeting with HODs for exchange of views for the betterment of academic activities.

The Faculty members & students work together to make the institute a **Centre of Excellence**. The feedback system of the college is a bipolar process where the students & the faculty members help to improve each other and enhance their potentiality in every possible way. This in turn paves the way for a strong academic foundation.

❖ **Mechanism/Norms & Procedure for democratic/good Governance**

- Decentralization
- Bottom-up-approach
- Examination & Monitoring Committee
- Library Committee with a Faculty-in-charge
- Monthly Departmental Meetings
- Departmental meeting with students for industrial training and student projects

❖ **Student Feedback on Institutional Governance/faculty performance**

- Student feedback on Faculty performance has already been started in a prescribed format
- Student feedback is taken for procurement of Library Books & Journals, Magazine etc.
- Encouraging plan for engaging students for use in Institutional activities such as Website, Library Software etc.

The institute highly values the feedback of the students on institutional governance and faculty performance. A Feedback Form has been especially designed to that end. Every student is given this form at the end of every semester. The duly filled in forms are collected and later on discussed in the meeting of the Academic Council. The purpose is to help the faculty to develop himself/herself to deliver the best output.

❖ **Grievance redressal mechanism for faculty, staff and students**

- Grievance cell for students
- Academic Committee looks after the grievance of the faculty and staff

The grievances of the students are represented in the meetings by the Teacher-in-charges of the various streams. These issues are then discussed and resolved unanimously. The faculty members & staff make it a point to candidly discuss their specific as well as general problems in the meetings. The institution firmly believes that in order to excel a proper coordination between the faculty members, staff, students & management is indispensable.

Central Selection Committee issues a Rank Card to each of the WBJEE qualifiers, which a student must show at the time of counseling. Central Electronic Display Board showing online reservation status in respective engineering colleges is arranged to facilitate the aspirants to choose their college at their sweet will subject to the availability of the seat in a particular branch of a particular college . The counseling is organised by Central Selection committee in the same manner they organise in case of WBJEE as described above. For M.Tech, students are required to qualify the GATE and finally they are selected on basis of written test & final interview.**
