(which expression shall include its legal representatives, administrators and assigns) of the other part.

Whereas both the parties have agreed to collaborate and jointly venture on different academic and professional activities of mutual interest listed and detailed below, this memorandum of understanding has been prepared jointly with noted terms and conditions.

Professional Collaboration

RMSPL will offer medical treatment to students, staff and faculty of NSEC at a concessional rate. All employees, students & their families are entitled for 20% discount on Medical Test.

NSEC will provide engineering expertise, if required, to RMSPL.

Academic Collaboration

RMSPL will permit students of NSEC to have academic access to its modern medical equipment, apparatus and instruments,

RMSPL will grant permission for training in its laboratories and hospital to students, staff and faculty of NSEC.

Both NSEC and RMSPL will provide joint guidance to and use of their resources by their students for carrying out academic projects.

Both RMSPL and NSEC will exchange faculty and experts on a regular basis for delivering lectures, conduct joint short-term courses and workshops on areas of mutual interest.

Research and Development

Both RMSPL and NSEC will collaborate to identify problems and carry out collaborative research and development work in emerging Medical Technology.

RMSPL will provide medical data to faculty of NSEC for academic and research purposes when asked for.

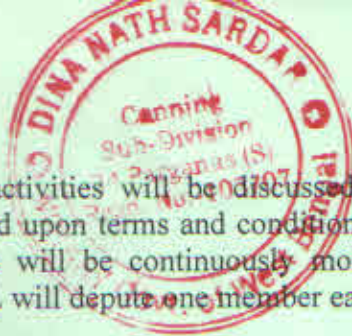

Extra Academic Activities

RMSPL and NSEC will establish and nurture cultural, social and professional bondage between two institutions.

NSEC and RMSPL will render services to community through appropriate programmes like organizing of health camps, awareness programmes and educative programmes jointly using their resources and manpower including students.

11 8 MAR 2016

All the programmes and activities will be discussed, planned and annual blueprints prepared on mutually agreed upon terms and conditions for effective implementation of the projects. The activities will be continuously monitored and supervised. For this purpose, NSEC and RMSPL will depute one member each as Joint Coordinator.

Any breach of understanding on the part of either party or non-functioning of the MOU will automatically result in the cancellation of the MOU without any financial liability on either party and will be notified in writing.

All the conditions stipulated will be subjected to review each year.

MOU will be valid for five years from the date of signing this MOU.
