

PVSC-3 / CATC KB-09

(from 31 July 2024 to 09 Aug 2024 conducted by 1 WB AIR SQN NCC)

The third PVSC camp was held at Kachrapara Air Force Station. This camp continued the training of PVSC-1 and PVSC-2. During this camp Major changes were made to enhance the training process.

On 8th Aug 2024 group commander of KOL-B Brigadier Krishnendu das visited to inspect our preparation of AIVSC camp. On his visit several events were performed in front of him and other JD/JW cadets. The day started with continuity drill by JD/JW cadets followed by march past of our drill contingent lead by Cdt Tufaan Baid, control line model flying and skeet shooting. He also interacted with cadets and wished us luck for our competition ahead.

Finally with a cultural program organised by junior division cadets on 8th August 2024 evening our PVSC concluded. Every moment was memorable, filling us with pride and respect for the airforce culture. Spending an entire month in rigorous training at kachrapara, moulded our physical endurance, mental strength and discipline. On 09th Aug 2024 we parted ways with a heavy heart and bitter goodbye.

By the end of this camp cadets were part of following event training.

- Cdt Tufan Baid – Drill and .22 Firing
- Cdt/Cpl Gaurav Sharma – Drill
- Cdt Shaqib Iqbal – Drill, .22 Firing and skeet shooting
- Cdt Swarnim Singh – Tent Pitching
- Cdt Amit Bhagat – Tent Pitching
- Cdt Moumita Biswas – Tent Pitching
- Cdt Sumita Mishra – Tent Pitching
- Cdt Amrita Sinha – Control Line Aeromodelling
