(Sl.No X and XI) Admission Procedure, Criteria and weightages for admission

The admission procedure is based on the WBJEE/JEEMAIN result. An aspirant has to qualify the state level entrance test (WBJEE) or national level entrance test (JEEMAIN) by obtaining a certain rank to attend the counseling session organised by Central Selection Committee. 10% seats are reserved for JEE MAIN qualifiers for getting entry into engineering college in Kolkata and engineering college out of Kolkata respectively while rest of the seats are reserved for WBJEE qualifiers. Central Selection Committee issues a Rank Card to each of the WBJEE qualifiers, which a student must show at the time of counseling. Central Electronic Display Board showing online reservation status in respective engineering colleges is arranged to facilitate the aspirants to choose their college at their sweet will subject to the availability of the seat in a particular branch of a particular college. The counseling is organised by Central Selection committee in the same manner they organise in case of WBJEE as described above. For M.Tech, students are required to qualify the GATE/PGET and finally they are selected on basis of counselling & final interview.

Item No I - XI must be given in information brochure and must be hosted as fixed content in the website of the Institution.
