ACTION TAKEN REPORT ON THE RESOLUTIONS OF THE INTERNAL QUALITY ASSURANCE CELL

Action Taken on the Resolution of the meeting held on 06/09/2024

Sl. No.	Agenda	Resolution	Action Taken
0	Confirmation of the minutes and resolution of the last meeting	The minutes and resolution of the last meeting of IQAC held on 14/06/2024 were confirmed by the members present.	
1	NIRF 2025	The college will participate in the National Institutional Ranking Framework (NIRF) 2025 in both the Engineering and Innovation categories. Timely registration and submission of the required data are essential. All submissions must be completed before the due date.	The college has registered for NIRF 2025 in both the Engineering and Innovation categories. The relevant data and information have been collected and submitted digitally on January 11, 2025.
2	Academic and Administrative Audit	The Academic and Administrative Audit for the academic year 2023-2024 is set to take place shortly. All departments and units are required to submit relevant information in the standard format. This audit aims to ensure compliance and enhance the quality of academic and administrative processes.	The internal Academic and Administrative Audit for the academic year 2023-2024 is scheduled for December 2024. The department-wise data has been collected in a standard format.
3	Even Semester Result Analysis	The results for the Even Semester 2023-2024 have been deemed unsatisfactory, as the performance of students did not meet the expected academic standards or benchmarks. The result analysis reports have been scrutinized.	All departments have been instructed to prepare an action taken report and to implement measures aimed at improving students' performance.
4	GATE Tutor & IITB Spoken Tutorial	The GATE Tutor and IITB Spoken Tutorial programs aim to provide continued access to high-quality educational resources for students preparing for the GATE exam and earning MAR points through various technical courses. These platforms	The GATE Tutor subscription has been renewed for three years, and the IITB Spoken Tutorial subscription has been renewed for one year. Prof. N. Ray has acted as

		provide structured tutorials that improve exam preparation, skill development, and understanding of complex engineering and technology topics, supporting academic and career success. The college will renew these programs.	the Coordinator for GATE Tutor, while Prof. S. Bhadra has been designated as the SPOC for the IITB Spoken Tutorial. Prof. P. S. Pal has been nominated as the mentor for both programs.
5	AWS Academy Program	The proposal for the institution's membership under AWS Academy has been approved. AWS Certification Courses offer students valuable hands-on experience in cloud computing, enhancing their technical skills in AWS services. These certifications boost employability by validating proficiency in cloud technologies, making students more competitive in the job market.	An MOU has been signed with AWS Academy, designating Prof. Partha Ghosh as the Central Point of Contact (CPOC) and Prof. Soumi Ghosh as the Educator. In the first slot, 111 students completed the Cloud Foundations course and received certificates and e-badges. In the second slot, 66 students enrolled in AWS Machine Learning course.
