1	NBA: BME, CSE, ECE & EE	The institute has undertaken the process for NBA accreditation of four B.Tech programs: Biomedical Engineering (BME), Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), and Electrical Engineering (EE). The pre-qualification stage has been completed successfully, allowing for the submission of the Self-Assessment Report (SAR).	All four programs are currently in the process of preparing the Self-Assessment Report (SAR), which will be uploaded onto the NBA portal by March 2023.
2	MOA with NIELIT	The institute has signed a Memorandum of Agreement (MOA) with the National Institute of Electronics and Information Technology (NIELIT), Kolkata, designated as a Lead Resource Center. This collaboration aims to conduct a bridge course training program focused on Blockchain Technology under the Future Skill Prime Program. Certificates for students completing the program will be issued by NASSCOM. Prof. Anupam Halder has been nominated as the "Spoke" representing the institution.	Fourteen (14) faculty members successfully completed an online Training of Trainers (TOT) program and received certification. Additionally, ninety-seven students have been enrolled in the Blockchain Certification course.
3	Vidwan Portal- Faculty Profile	The institute has registered for NIRF 2023 and is actively engaged in verifying its research credentials through the Vidwan Portal. As part of this process, all faculty members are required to create a comprehensive faculty profile on the Vidwan Portal. This profile will showcase each faculty member's academic achievements, research publications, projects, and other scholarly contributions.	The institution has registered for an IRINS instance to establish faculty profiles within the VIDWAN/IRINS database portal (https://vidwan.inflibnet.ac.in/). Faculty members have successfully completed their academic profiles as part of this initiative.
4	INFERNO EDC	The Entrepreneurship Development Cell	The institute organized the

Summit	<p>(EDC), in collaboration with the Institution's Innovation Council (IIC), is gearing up to host an Entrepreneurship Summit titled "INFERNO" on the college premises.
