Sl. No.	Agenda	Resolution	Action Taken
0	Confirmation of the minutes and resolution of the last meeting	The minutes and resolution of the last meeting of IQAC held on 04/12/2023 were confirmed by the members present.	
1	NAAC 2 <sup>nd</sup> Cycle Accreditation	The validity of the 1st Cycle of NAAC Accreditation will expire on March 27, 2024. The institute plans to apply for the 2nd Cycle of NAAC Accreditation prior to this expiration date. This proactive approach will ensure continued recognition and compliance with quality standards.	The college submitted the Institutional Information for Quality Assurance (IIQA) on March 21, 2024, marking the first step toward the 2nd Cycle of NAAC Accreditation. The Self Study Report (SSR) for this cycle was submitted on June 20, 2024.
2	OBE and NEP 2020	Most stakeholders are not well aware of the Outcome Based Education (OBE) system, as highlighted in the recent Exit Meeting of the NBA Expert Team. The college should organize OBE awareness programs or workshops for each department, led by internal and/or external experts. The college will conduct NEP workshops to enhance awareness and ensure preparedness for the effective implementation of the National Education Policy.	Five extensive sessions were conducted for faculty members and technical assistants on Outcome-Based Education and the NAAC Assessment and Accreditation (A&A) process. Additionally, two workshops were arranged on NEP 2020, featuring eminent experts Prof. B. Ghosh and Prof. U. Kar.
3	IIRS-ISRO Outreach Program	The proposal to host one of the nodes of the online training program in Remote Sensing and its Applications by IIRS-ISRO has been accepted. This outreach program aims to generate skilled human resources in the fields of Remote Sensing, Space Science, and Technology. Participants will benefit from enhanced knowledge	The college has submitted an Expression of Interest (EOI) to ISRO/DOS to host the IIRS outreach program. Prof. S. Bagchi has been nominated as the Coordinator for this initiative.

		and expertise, contributing to career development and the growth of these vital sectors.	
4	MOU with Hackingly	The college will sign an MOU for an academic corporate partnership with Hackingly (Giby Technologies Pvt. Ltd.) for skill development, employability, and research and development. This MOU will focus on an innovative Google Cloud Certification Program in collaboration with Google Cloud and the Times of India Group.	An MOU has been signed for an Academic-Corporate Partnership between Hackingly (Giby Technologies Pvt. Ltd.), the Department of Information Technology, and the Google Developer Club of NSEC for skill development, employability, and research and development. Prof. S. Mitra nominated as SPoC.
