

Snapshot of landing page [Gateway]

The image shows a browser window displaying the pfSense login page. The browser's address bar shows the URL "103.193.90.99" and the status "Not secure". The page features the pfSense logo in the top left and a "Login to pfSense" link in the top right. The main content area is a dark blue background with the text "SIGN IN" centered. Below this, there are two input fields labeled "Username" and "Password", each with a horizontal line underneath. A green "SIGN IN" button is positioned below the password field. At the bottom of the page, a footer reads "pfSense is © 2004 - 2017 by Rubicon Communications, LLC (Netgate). All Rights Reserved. [view license]". The Windows taskbar at the bottom shows several open applications, including Google Chrome, Microsoft Word, and various PDF files.
