**Sub: Vocational Training during summer recess, from 18<sup>th</sup> June, 2018 to 27<sup>th</sup> July, 2018**

Dear Sir

It is a pleasure to introduce our institute named Netaji Subhash Engineering College, approved by AJCTE and affiliated to WBUT. This college is more than 15 years old and has put a mark on technical education in West Bengal.

The students of B.Tech, Mechanical Engineering need to attend different training programs during their course of study. In this regard, I would like to recommend the name of students from the Mechanical Engineering Department to undertake a training program in your esteemed organization during the summer recess tentatively from 18<sup>th</sup> June, 2018 to 27<sup>th</sup> July, 2018.

Your co-operation to organize the training program for this student at the earliest will be duly appreciated.

Sending you the details of the students for kind your perusal.

**Details of the students:**

<b>Department</b>	Mechanical Engineering.
<b>Year of study</b>	B.Tech 2 <sup>nd</sup> year
<b>Name of the students</b>	1) Tanmay Sarkar (University Roll:- 10990716027) 2) T Nitesh Rao (University Roll:- 10990716028) 3) Sharmistha Thakur (University Roll:- 10990716056) 4) Pranay Pasha (University Roll:- 10990716074) 5) Saikat Kumar (University Roll:- 10990716055)

Thanking you.

Yours faithfully,

Prof. MALAY KANTI NASKAR

Sub: Vocational Training during winter recess, from 26<sup>th</sup> December, 2016 to 26<sup>th</sup> January, 2017

Dear Sir

It is a pleasure to introduce our institute named Netaji Subhash Engineering College, approved by AICTE and affiliated to WBUT. This college is more than 15 years old and has put a mark on technical education in West Bengal.

The students of B.Tech. 2<sup>nd</sup> year of Mechanical Engineering need to attend different training programs during their course of study. In this regard, I would like to recommend the name of students from the Mechanical Engineering Department to undertake a training program in your esteemed organization during the summer recess tentatively from 26<sup>th</sup> December, 2016 to 26<sup>th</sup> January, 2017.

Your co-operation to organize the training program for this student at the earliest will be duly appreciated.

Sending you the details of the students for kind your perusal.

Details of the students:

Department	:	Mechanical Engineering,
Year of study	:	B.Tech 2 <sup>nd</sup> year
Name of the students	:	1) Nischal Kumar Pandey (Mobile: 709291670) 2) Mohammad Adil Ahmed (Mobile: 9748729407)

Thanking you

Yours faithfully

**Sub: Request for permission of industrial training in summer vacation at Eastern Railway, Sealdah**

Dear Sir,

Netaji Subhash Engineering College (NSEC) is one of the pioneer and oldest private Engineering College in West Bengal. It is affiliated to West Bengal University of Technology (WBUT) and approved by the All India Council for Technical Education (AICTE) since 1998. It conducts a 4-years' B.Tech course in Mechanical Engineering, with other Technical Courses namely EE, ECE, CSE, AEJE, IT, BME, MECH, Civil etc.

You are requested to grant permission for vocational summer training to your plant. We believe this kind of exposure on actual industrial processes at your work shop will greatly benefit the students to enhance their practical knowledge.

It would be very helpful if you kindly allow Md. Taiseer Hassan (Mob:08981460559), Sandeep Kumar (Mob:08981927976), Rewati Chauhan (Mob:08981470361), Rohit Kumar Shaw (Mob:08296446344), Md. Abid Hussain (Mob:09874380294), Banti Kumar Baruwal (Mob:09038702006) in your plant at summer vacation for 1 month industrial training. They are the student of 3<sup>rd</sup> year Mechanical Engineering Department in this college.

In this regard you may contact Prof. Malay Kanti Naskar, HOD of Mechanical Engineering Department, Mob: 9733635855, mail: [hod.me@nseccollege.org](mailto:hod.me@nseccollege.org), [malayknaskar2012@gmail.com](mailto:malayknaskar2012@gmail.com)

Your kind co-operation in this regard is solicited.

With regards,

Yours Sincerely

Prof. M. K. Naskar

**Sub: Vocational Training during summer recess, from 15th June, 2015 to 30th June, 2015**

Dear Sir

It is a pleasure to introduce our institute named Netaji Subhash Engineering College, approved by AICTE and affiliated to WBUT. This college is more than 15 years old and has put a mark on technical education in West Bengal.

The students of B Tech, Mechanical Engineering need to attend different training programs during their course of study. In this regard, I would like to recommend the name of students from the Mechanical Engineering Department to undertake a training program in your esteemed organization during the summer recess tentatively from 15th June, 2015 to 30th June, 2015.

Your co-operation to organize the training program for this student at the earliest will be duly appreciated.

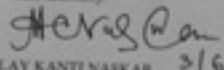

Sending you the details of the students for kind your perusal.

Details of the students:

Department	:	Mechanical Engineering.
Year of study	:	B.Tech 2 <sup>nd</sup> year

Power Development Corporation Limited from 22<sup>nd</sup> June, 2015 to 22<sup>nd</sup> July, 2015**

Dear Sir,

Netaji Subhash Engineering College (NSEC) is one of the pioneer and oldest private Engineering College in West Bengal. It is affiliated to West Bengal University of Technology (WBUT) and approved by the All India Council for Technical Education (AICTE) since 1998. It conducts a 4-years' B.Tech course in Mechanical Engineering, with other Technical Courses namely EE, ECE, CSE, AEIE, IT, BME, MECH, Civil etc.

You are requested to grant permission for vocational summer training to your plant. We believe this kind of exposure on actual industrial processes at your work shop will greatly benefit the students to enhance their practical knowledge.

It would be very helpful if you kindly allow **Shohom Singh (9051930991)**, **Shubham Roy (9748415760)**, **Debatra Majumdar (9088541793)** in your plant at summer vacation for 1 month industrial training.

They are the student of 3<sup>rd</sup> year Mechanical Engineering Department in this college.

In this regard you may contact Prof. Malay Kanti Naskar, HOD of Mechanical Engineering Department, Mob: 9733635855, mail: [hod.me@nsecollge.org](mailto:hod.me@nsecollge.org), [m.k.naskar2012@gmail.com](mailto:m.k.naskar2012@gmail.com).

Your kind co-operation in this regard is solicited.

With regards,

Yours Sincerely

  
Prof. M. K. Naskar  
HOD, Mechanical Engineering Department

**Sub: Training on PDMS 3d technology for better knowledge of students on virtual 3D plant and machinery.**

**Ref: Manas Kumar Naskar, Senior Engineer of DVC, Head Office, Kolkata**

Dear Sir

It is a pleasure to introduce our institute named Netaji Subhash Engineering College, approved by AICTE and affiliated to WBUT. This college is more than 15 years old and has put a mark on technical education in West Bengal.

The students of B.Tech, Mechanical Engineering need to attend different training programs during their course of study. In this regard, I would like to recommend the name of student from the Mechanical Engineering Department to undertake a training program on PDMS 3d technology for better knowledge of students on virtual 3D plant and machinery in your esteemed organization at Hyderabad office during the summer recess tentatively from 15th June, 2015 to 15th July, 2015.

Your co-operation to organize the training program for this student at the earliest will be duly appreciated.

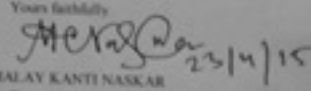

Sending you the details of the student for kind your perusal.

**Details of the students:**

Department	:	Mechanical Engineering.
Year of study	:	B.Tech 3 <sup>rd</sup> year
Name of the students	:	1. KOUSSHIK GHOSH (9547757920) 2. SAYANTAN MANDAL (9062544473) 3. BULU BEHERA (8100314313) 4. SAYANTAN BISWAS (9836158724) 5. SOUVIK GHOSH (9434524076)

Thanking you

Yours faithfully

Dr. 20.07.2016

To,  
The Principal,  
Netaji Subhash Engineering College,  
Garia, Kolkata

Subject : Request for release of amount towards course fee for Vocational Training of 305 nos. students who has completed the vocational Trg. at NSIC, Howrah on 19.07.2016.  
Service Order no.: NSIC-C-310-17/Howrah-17 dt 20.06.2016

Sir,  
With reference to above cited matter, we want to humbly state that as per your service order we have trained 305 nos. of students from 01.07.2016 through 20.07.2016.

As per work order given we want to send course fee inclusive of taxes amounting to Rs. 5,26,125/- (Rs. Five Lakh Twenty Six Thousand One Hundred Twenty Five Only)  
Bill breakup (annexure - I) and invoice sheet is attached.

We would be obliged if the payment is received by Cheque / Demand Draft in favour of "The National Small Industries Corporation Ltd." payable at Howrah or through RTGS ( details attached ).

Looking forward to your kind cooperation please.

Thanking you,  
With Regards,

  
Palash Bhosmik

Ref No. NSIC-TSC/HOW/Prop/2015-16

Dt. 13.05.2015

To  
The Training & Placement Officer,  
Netaji Subhas Engineering College,  
Garia, Kolkata

Subject Proposal regarding Project Work / Vocational Training/ Industrial visit / Seminar for Engineering students.

Dear Sir/Madam,

The National Small Industries Corporation (NSIC) is a Government of India Enterprise (Mini Ratna) under the Ministry of Micro, Small & Medium Enterprises (MSME). Since its establishment in 1955, NSIC has been working to fulfill its mission of promoting and fostering the growth of Micro & Small Enterprises in the country and to create the employment opportunities for the unemployed youths.

This corporation has direct link with the industries on Pan India basis and providing various supports in the field of technological, financial and marketing areas to them under its various schemes. There are 108 Nos. of Branch Offices & Zonal Offices and 7 Technical Services Centres are spread all over the country.

All Technical Services Centres, including Howrah Centre, situated at Balitkuri Howrah (WB) is also extending all above facilities to the industries by giving equal importance to generate the quality manpower in many streams through Skill Development programme, Advance training courses, Seminars, Industrial visits etc. This Centre is fully equipped and all the basic facilities to fulfill the needs of the industries as well as the trainees under different trades. Further it's our pleasure to convey your Pioneer Institution that to Upgrade the Knowledge and to complete the project Work of the Engineering students of Electronics, Mechanical/Production/Metallurgical Civil & Electrical Trades we are conducting the Vocational Training/Engineering project work. The Module of the program are enclosed herewith Branch wise.

We assure that the above said training will be highly beneficial for your student of pre-final and final year to complete their project in time under sincere guidance of NSIC without any constraints.

Admission started and the students may be requested to get admitted by paying total course fee within 15<sup>th</sup> of May 2015.

Regards,

(Palash Bhosmik)

Some tailor made Projects for the Electronics / Communication / Telecommunication Instrumentation / Mechanical/Electrical and Civil Branch

Sl. No.	Project Based on
1	Photonic Motion Sensing
2	Embedded Robotics control
3	Solid state cooling technology
4	ATM Surveillance system
5	Wireless RF communication
6	Sequential Timer
7	3 G Wi-Fi data communication
8	Embedded Systems
9	RFID system
10	3 1/2 digit Universal Digital controllers indicators

EXCERPTS OF SOME OF THE ELECTRONIC MODULES/ PROTOTYPES ARE AS UNDER.

#### 1 Photonic Motion Sensing Project

This project is based on **IR communication and sensing system**. Infrared and Laser Beam Technology are used to manufacture Angular IR sensors, C-MOS couplers, special Opto lenses etc. this system may be used for Development of Power Saving devices, CAD-CAM switches, Power Line transmission controller, Remote sensing applications.

#### 2 Embeded Robotic Control

Under the Embedded Robotics control system a Robotic X & Y axis movement are controlled through remote radio signals.

#### 3 Solid State Cooling System.

An extraordinary project in nature. Here the latest Solid State cooling technology has been used and it finds application in various industries directly. The core technology in this project is "A Semi conductor Heat Pump" which is made with special doping materials and architecture. A highly conditioned power input maintains the unit stability factor, which is also related with the quantum of radiation pattern and output drive.

Implementation of above project can be done by use of Semiconductor Heat pump, Metal Film registers, Tantalum Capacitors etc. The above prototype can be used to develop Mini Refrigerator, Medical Therapy device, a mobile air conditioner etc.

#### 4 Digital 3 1/2 Digit Universal Digital controllers indicators

This projects based on Universal Digital controllers indicators system. This prototype may be used for i) Over loading indication, ii) Auto light shut down facility, iii) Auto polarity indication, iv) Extension of scaling etc. and for measurement of i) Voltage ii) Current iii) Resistance & iv) Semiconductors.

**5 Wireless RF communication**

This project is based on wireless communication using Radio Frequency in permitted range of operation with out interfering outside communications

**6 Sequential timer**

These are based on industrial controller system. The reliability factor is directly dependent on the Time Based reference of the circuit either in inverted or non-inverted form. Now, this time reference is directly proportional to the functional impulse of the reference voltage. This can be measured by detecting capacitance changing or by the change of resistivity. In the above project Dual mode time control semiconductor chip, ideal CMOS voltage reference chip, discrete power drivers both solid state and electromechanical type will be used

**7 Wi-Fi data communication**

This project is based on high speed reliable digital data communication using state of the art System-On-Chip technology. Practical demonstration will be shown for carrier communication and data communication along with carrier

**Electrical Engineering**

Sl. No.	Project Based on Testing / Calibration
1	Pulse Width Modulation based power inverter.
2	Digital Remote Switching System
3	Universal Power metre with Resistive Capacitive and Inductive load measuring facility
4	Integrated 5 in 1 measuring equipment
5	Motor / Transformer rewinding
6	Calibration of High voltage & Impulse Test as per IEC 60052
7	Testing of all types of insulators, Heat Cycle Test, Temperature rise test on Electrical Hardware and fittings used in HT & LT transmission lines

**Mechanical Engineering/ Production/ Metallurgical Engineering**

Sl. No.	Project Based on Mechanical Testing of various components
1	Industrial Lifter using Robotics
2	Job work using Industrial machines ( Turning, Milling, Welding etc)
3	UTS, Y/S %age of E. Bend, R-Bend Flating and B/L of Mechanical & Electrical components.
4	Complete type test upto 400 KV for transmission and distribution lines hardware fittings
5	Type Test including Stress & Strain test of ACSR / AAAC/AAAC conductors

**Chemical Engineering Engineering**

Chemical analysis using spectrometer for Ferrous and non-Ferrous alloys used in equipments / conductors for HT&LT transmission lines.

**Civil Engineering**

1	Surveying technique using Engineer's Level, Dumpy Level, Theodolite, Total Station etc project report using Civil Auto CAD
---	----------------------------------------------------------------------------------------------------------------------------

**Computer Science & IT( along with HP certification)**

Sl. No.	Project Based on Mechanical Testing of various components
1	Java & J2EE
2	ASP. Net using C#
3	Analytic Tools
4	PHP My SQL/ Sql Server

Duration: 30 hrs

\*\* Course fee for all training Rs. 2000/- + service taxes per candidate. Minimum 50 nos. of students are needed for enrolment from a college.

Notice

Due to Vocational Training at NSIC held on 29<sup>th</sup> June, 2015, the training on Machinist and Hydraulic & Pneumatic system under PMKVY will be started from 3<sup>rd</sup> August, 2015. Name of students under Batch ID : 287758 & 287749 already published in the notice board. QUIVAN confirmed the rescheduled date of training on 3<sup>rd</sup> August, 2015.

If there is any query, please contact with HOD, Mechanical.

Mechanical Engineering Department

Notice

All the students of 3<sup>rd</sup> year, 6<sup>th</sup> semester from mechanical engineering department are informed that Vocational Training at National Small Industries Corporation (NSIC) will be started from 29<sup>th</sup> June, 2015. Department has already sent student's list to NSIC. If any student has any problem to attend the training, he/she should inform to undersigned before 22<sup>nd</sup> June, 2015.

to radhakrishna

Dear Sir,

We thankfully acknowledge the above mail. Please find attached the name of the students in annexure I & II (batch wise) of 4<sup>th</sup> semester Mechanical Engineering department of Netaji Subhash Engineering College, Garia, Kolkata-700152.

Accompanying technical persons of the department are

1. Mr. Krishnachur Ghosh, Mob. No. 9038647177
2. Mr. Mihir Kanti Jana Mob. No. 9432274594

You are also requested to arrange one/two expert from your plant for proper training of the students.

Annexure I : Batch 1 (20 students)

18/03/14.

Department of Mechanical Engineering  
Netaji Subhash Engineering College  
Teltola Crv. Garia, Kolkata-700152

Annexure 1

Name of the students of Netaji Subhash Engineering College for industrial Visit to DVC, DTPS on 21/03/2014 and 22/03/2014 are-----

- (01) VINIT ATHA
- (02) BANTI KUMAR BARNWAL
- (03) FARHAN AHMAD
- (04) SHOHOM SINGH
- (05) SOURADEEP MITRA
- (06) CHANDAN KUMAR JHA
- (07) ANIK BARDHAN
- (08) SOUDEEP SAHA
- (09) SHASANK PANDEY
- (10) ANAND SAGAR
- (11) SUNDEEP KUMAR
- (12) ARKADEEP DATTA
- (13) ROHIT KR. SHAW
- (14) REWATI CHAUHAN
- (15) SANJAY KUMAR
- (16) SOJB BAGCHI
- (17) SHUBHAM KUMAR THAKUR
- (18) GUFRAH SHAHBAZ
- (19) RITWIK DATTA
- (20) SURAJ KUMAR

Sub: Vocational training for Mech Engineering students  
Ref: Your letter No. HSE/CMS-VT/2013/36 dt. 06/11/2013

Dear Sir,

In response to your above referred letter, I am directed to communicate the permission of the competent authority to allow the following B.Tech/BE Mech.) Students -

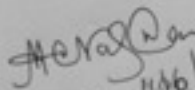

- 1) Kousik Ghosh (2) Rohit Gupta (3) Souradeep Mitra (4) Tarak Nandi of your college/institute, for the subject training at DTPS from 02/01/2014 to 22/01/2014, subject to the following terms & conditions
- a) No stipend or allowance will be paid to the student(s) during the period of training.
- b) Student(s) will have to make their own arrangement for board & lodging.
- c) DVC will not be responsible for any risk of accident etc. to the student(s) during the period of training.
- d) Student(s) should not quote any documents of DVC which has not been published.
- e) Each student should furnish an indemnity bond on a non-judicial stamp paper of Rs. 5/ (Rupees five) only indemnifying the Corporation for any loss caused due to his/her negligence, default of any positive act of omission and commission before he/she is taken as a trainee. The pro-forma of the bond is also enclosed herewith.
- f) Each trainee will be required to deposit an amount of Rs. 1000/- (Rupees One thousand) only as administrative charge (non-refundable), to the Additional Chief Accounts Officer, DVC, DTPS in the form of Bank draft/Pay order/Cash. The Demand draft/Pay order should be drawn in favour of the "Sr. Manager (Finance), DVC, DTPS" payable at Durgapur.
- g) The deposition of administrative charge and furnishing of indemnity bond should be completed on the day of training.
- h) Students must bring two PP size colour photographs, original & photocopy of their identity card of the college/institute and **Industrial Helmet of their own**.

Encl: as stated

Yours faithfully,  
Sd/-  
Add. Director (HR)  
DVC, DTPS

Copy to -

- 1) The Chief Engineer & HOF, DVC, DTPS, Durgapur.
- 2) The Dy. Chief Engineer (M), DTPS, DVC, Durgapur.
- 3) The MS - I / MS - II / OS, DTPS, DVC, Durgapur.
- 4) The Sr. Manager (Finance), DTPS, DVC, Durgapur - It is requested to accept administrative charge of Rs. 1000/- (Rupees One thousand) only from each of the above named students and issue receipt thereof.
- 5) The Manager (Safety), DTPS, DVC, Durgapur - He is requested to please coordinate with the students.

**DAMODAR VALLEY CORPORATION  
INDEMNITY BOND**

I Shri/Miss ..... Son/Daughter of Shri  
..... age ..... Years ..... Months have been given an  
opportunity to undergo winter/summer training by order No. ....  
..... dated ..... as part of my final year  
Examination in personnel Engineering discipline under DVC.

I do hereby tender this Bond of Indemnity detailing the terms and conditions as under -

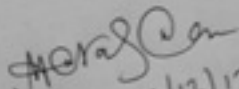

- 1) I will be held responsible for any loss of Corporation due to my negligence, default of any positive act of omission or commission.
  - 2) DVC will not be responsible for any risk, accident, etc caused to me during the period of my training.
  - 3) That the Corporation shall have the absolute power to recover the amount from me, being the cost of any loss of properties caused to the Corporation due to my negligence, default of any positive act of omission and commission on my part.
- This Indemnity Bond I give on having full understanding of the subject.

In presence of

Signed

Notice

Sub: Summer training for pre-final year students (2017 pass-out batch) of CE. Department.

The following students of CE. Dept. as per attached list will undergo summer training at NSIC ( The National Small Industries Corporation Ltd., A Govt. of India undertaking ) from 4<sup>th</sup> July to 16<sup>th</sup> July 2016.

The module offered is Surveying Technique. The other modules i.e. Civil Auto CAD and Strength of material will be briefed during the training. Students are required to report to NSIC at following address.

Brief Report on Vocational Education and Training (VET) in the year 2017

The 3rd year students of Civil Engineering Department attended summer training at NSIC (The National Small Industries Corporation Ltd., A Govt. of India undertaking) from 4th July to 16th July 2017. The training module offered was surveying technique using Auto level and total station for civil engineering projects. The other modules i.e. Civil Auto CAD and Strength of material were within the scope of the training. The data generated from surveying conducted, taken from total station were plotted using AutoCAD. Profile of road level, cross section, alignment was generated. Testing of TMT bars, bricks, cement and concrete blocks were demonstrated in detail. Students were exposed advanced method of surveying for real life civil engineering projects thereby will be highly helpful for increasing their employability. The students also visited Entrepreneurship and Development Cell (EDC) present at NSIC which also will be useful before being absorbed in industry. A large number of students attended the said training.

**Brief Report on Vocational Education and Training (VET) in the year 2018**

The 3rd year students of Civil Engineering Department participated in Vocational Education and Training (VET) at NSIC (The National Small Industries Corporation Ltd, A Govt. of India undertaking) from 11/06/2018 to 23/06/2018. The scope of the training programme during ensuing summer vacation include surveying for Civil Engineering Projects using "Total Station" and Preparation of Report as per standard guidelines, survey for Road Project: Earthwork calculation (cutting and filling volume), fixing of road alignment, setting out of curves, determination height of remote objects, area calculation of a given plot and the testing of Materials and Preparation of Report as per standard guidelines for ultrasonic non destructive testing of materials, spectrometer test (carbon content determination), microstructure analysis of materials. Students were exposed advanced method of surveying for real life civil engineering projects thereby will be highly helpful for increasing their employability. The students also visited Entrepreneurship and Development Cell (EDC) present at NSIC which also will be useful before being absorbed in industry. A notable number of students attended the said training.

NETAJI SUBHASH ENGINEERING COLLEGE  
CIVIL ENGINEERING DEPARTMENT

URGENT NOTICE

Sub: Summer Training for pre-final year students of CE Department at NSIC, Howrah

The following students of Civil Engineering Department as per attached list will undergo summer training at NSIC (The National Small Industries Corporation Ltd., A Govt. of India undertaking) from **11/06/2018 to 23/06/2018**.

The scope of the proposed training programme for 3<sup>rd</sup> year students of Civil Engineering department during ensuing summer vacation are as under:

**A. Surveying for Civil Engineering Projects using "Total Station" and Preparation of Report as per standard guidelines**

1. Road Project: Earthwork calculation (cutting and filling volume), fixing of road alignment, setting out of curves
2. Determination height of remote objects
3. Area calculation of a given plot

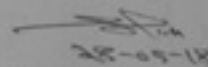

**B. Testing of Materials and Preparation of Report as per standard guidelines**

1. Ultrasonic non destructive testing of materials
2. Spectrometer test (carbon content determination)
3. Microstructure analysis of materials

Students are required to report to NSIC at **10 am on 11/06/2018 (Monday)** along with **two copies of recent passport photos, one photo copy of college ID card and Adhar card** at following address to be required for registration purpose.

**THE NATIONAL SMALL INDUSTRIES CORPORATION LTD.**  
(A GOVERNMENT OF INDIA ENTERPRISE)  
TECHNICAL SERVICES CENTRE  
JAPANIGATE, BALITIKURI, HOWRAH- 711 113, WEST BENGAL
