Organizing Chairman, GATE 2018  
(on behalf of NCB – GATE, for MHRD)

Digital Fingerprint: 607911cdf92b033560345fb2472e43d

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2018 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Organizing Chairman, GATE 2018  
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2018 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

$S_q = 350$ , is the score assigned to  $M_q$

$S_r = 900$ , is the score assigned to  $\bar{M}_r$

In the GATE 2018 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

**Instructions:**

- Only candidates who have taken the Common Admission Test (CAT 2017) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2017. You will not receive score card by email or by post.
- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
- Percentile refers to percentage of candidates who receive score less than or equal to the score obtained by the candidate.
- IIMs and Non-IIM member institutions independently decide how to use CAT 2017 scores on the basis of their own selection process. The scores are to be used only for selecting the candidates to their Post Graduate / Fellow Programme(s) in Management
- Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.
- All queries regarding post-CAT 2017 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
- CAT 2017 score is valid only until 31st December 2018 and subject to meeting the minimum eligibility marks in the qualifying examination.
- Toll free number 1-800-266-3549 will be available till 20th January, 2018 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2018 respectively.

Verbal Ability & Reading Comprehension		Data Interpretation & Logical Reasoning		Quantitative Ability			
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
41.75	75.18	11.68	58.78	9.90	40.24	63.33	61.25

**Instructions:**

- Only candidates who have taken the Common Admission Test (CAT 2017) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2017. You will not receive score card by email or by post.
- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
- Percentile refers to percentage of candidates who receive score less than or equal to the score obtained by the candidate.
- IIMs and Non-IIM member institutions independently decide how to use CAT 2017 scores on the basis of their own selection process. The scores are to be used only for selecting the candidates to their Post Graduate / Fellow Programme(s) in Management
- Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.
- All queries regarding post-CAT 2017 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
- CAT 2017 score is valid only until 31st December 2018 and subject to meeting the minimum eligibility marks in the qualifying examination.
- Toll free number 1-800-266-3549 will be available till 20th January, 2018 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2018 respectively.

## About Your GRE® Score Report

### Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

### Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

### Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

### For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at [gre-info@ets.org](mailto:gre-info@ets.org) or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

- Your score has already been advised to the institutes opted for by you.
- Score card to be downloaded from AIMA website only. Score card will NOT be sent by post or email.
- You must download the score card for future reference and records.

### Management Aptitude Test and Test Scores

- 1 The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2 MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- 3 All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- 4 The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- 5 The percentile below column indicates the percentage of candidates in the test who scores below that of the candidate in the section.
- 6 The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- 7 The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- 8 All scores and percentile below figures are reported after rounding off to the nearest whole number.
- 9 Personal data is as reported by the candidate.

विशेष अनुदेश / SPECIAL INSTRUCTION

अभ्यर्थी अवश्य सुनिश्चित कर लें कि अगर उन्हें, किसी गतली से अधिक प्रवेश पत्र जारी हो जाए, तो भी वे संयुक्त उच्च माध्यमिक स्तरीय परीक्षा, 2017 (चरण-1) में एक से अधिक बार न बैठें अन्यथा वे न केवल अपनी अभ्यर्थिता निस्त होने का जोखिम मोल लेंगे बल्कि उन्हें आयोग की भविष्य में होने वाली परीक्षाओं से तीन वर्ष की अवधि के लिए वारित भी किया जा सकता है।

CANDIDATES MUST ENSURE THAT THEY DO NOT APPEAR IN CHSL-2017, TIER-I, MORE THAN ONCE EVEN IF THEY HAVE INADVERTENTLY BEEN ISSUED MORE THAN ONE ADMISSION CERTIFICATE OR ELSE THEY WOULD RUN THE RISK OF THEIR CANDIDATURE NOT ONLY BEING CANCELLED BUT ALSO OF THEIR BEING DEBARRED FROM FUTURE EXAMINATIONS OF THE COMMISSION FOR A PERIOD OF THREE YEARS.

परीक्षा केंद्र में मोबाइल फोन तथा अन्य इलेक्ट्रॉनिक गैजेट्स लाना सख्त वर्जित है  
Do not bring mobile phone and other electronic gadgets inside the examination hall.

अभ्यर्थी अपने फोटोयुक्त मूल पहचान-पत्र के साथ अपनी नवीनतम कलर पासपोर्ट फोटो की दो प्रतियां अपने साथ लाएं  
Do bring a photograph bearing ID card in original along with two passport size photographs.

आपको सलाह दी जा रही है कि आप परीक्षा केंद्र के पता की पुष्टि के लिए के पहले परीक्षा केंद्र में जाएं  
You are advised to visit the Examination Venue before the date of examination to confirm location.

नोट: परीक्षा संबंधी विस्तृत निर्देश अगले पृष्ठों पर देखें।  
Note: - Please see the detailed instructions on next pages.

Digital Fingerprint 55729c642b4f8a8e786de1c76ce74879

Organizing Chairman, GATE 2017 on behalf of NCB-GATE, for MHRD

The GATE 2017 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this score card in GATE 2017

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2017 score formula,  $M_q$  is usually 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2017 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship.

Admitting institutes may conduct further tests and interviews for final selection.

March 26, 2017

Prof. Govind Joseph Chakrapani

Organizing Chairman, GATE 2017 on behalf of NCB-GATE, for ME

GATE 2017 score is calculated using the formula

$$\text{GATE Score} = \mu + (S_c - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

1.  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.
2.  $S_c$  is the score obtained by the candidate in the paper, mentioned on this score card in GATE 2017.
3.  $S_q$  is the qualifying marks for general category candidate in the paper.
4.  $M$  is the marks of top 0.1% or top 1% (whichever is larger) of the candidates who appeared in the paper (in case of multiple sessions including all sessions).
5.  $M_t$  is the top marks including all sessions.
6. 150, is the score assigned to  $M_t$ .
7. 100, is the score assigned to  $M$ .
8. In GATE 2017 score formula,  $M_t$  is usually 15 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.
9. Copying of GATE 2017 document that guarantee either an admission to a post-graduate program or a scholarship/assistantship.
10. Admitting institutes may conduct further tests and interviews for final selection.

190648

\*Normalized marks for multisection papers

\*\* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable is produced along with this scorecard.

March 26, 2017

Prof. Govind Joseph Chakrapani

Digital Fingerprint : 80db95d52c76238202f62293d10abc5b

Organizing Chairman, GATE 2017 on behalf of NCB-GATE, MHRD

The GATE 2017 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this score card in GATE 2017

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2017 score formula,  $M_q$  is usually 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2017 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship.

Admitting institutes may conduct further tests and interviews for final selection.

**About Your GRE® Score Report****Score Reporting Policies**

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

**Percentile Rank (% Below)**

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

**JIT GUPTA****Most Recent Test Date: October 3, 2016****Date of Birth:** December 8, 1994

Registration Number: 5720779

Print Date: October 16, 2017

**Retaking a GRE Test**

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

**For More Information**

For information about interpreting your scores, see *Interpreting Your GRE Scores* at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at [gre-info@ets.org](mailto:gre-info@ets.org) or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

\*\*No Show : No show indicates that you had scheduled but did not appear for the test.

**Important Notes**

- Scaled Score: The scores reported are the scaled scores arrived at by establishing psychometric equivalence to adjust for any variation in difficulty level across the test.
- Score Validity: Your 2016 NMAT by GMAC™ score is valid for admissions into management programs for the 2017-2019 academic sessions. Please check the respective school's website for more details.
- All institutions accepting the NMAT by GMAC™ exam will independently decide how to use the NMAT by GMAC™ scores.
- If GMAC determines that you have misrepresented yourself during registration or violated any of our testing policies / processes, we reserve the right to cancel your scores. You may also be ineligible to appear for the NMAT by GMAC™ exam in the future.
- **Final Percentile Score:** Your final percentile score refers to the percentage of candidates who have scored less than you in a given section. The highest scaled score amongst all your attempts is used in calculating your final percentile score.

**GMAC is the owner and administrator of NMAT by GMAC and GMAT exams.**

Normalized marks for multiple sessions

\*A candidate is considered eligible for a category if score is greater than or equal to the qualifying marks mentioned in the category for which a valid category certificate, if applicable, must be produced.

Digital Fingerprint: dc8c2b0fd0405aaf65d5482cb8b41df4

March 23, 2016

*T. Bhattacharyya*

Prof. Tirthankar Bhattacharyya

Organizing Chairperson GATE2016 on behalf of NCB-GATE, for MHRD

The GATE 2016 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

- $M$  is the marks obtained by the candidate in the paper, mentioned on this scorecard in GATE 2016
- $M_q$  is the qualifying marks for general category candidate in the paper
- $\bar{M}_t$  is the mean of marks obtained in  $\mu$  and  $\sigma$  (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
- $S_t = 370$ , is the score assigned to  $\mu$
- $S_q = 910$ , is the score assigned to  $\sigma$

In the GATE 2016 score formula,  $\sigma$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper. Qualifying in GATE 2016 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this scorecard in GATE 2016

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 600$ , is the score assigned to  $\bar{M}_t$

In the GATE 2016 score formula,  $\bar{M}_t$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2016 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

*T. Bhattacharyya*

\* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned in the relevant category for which a valid category certificate, if applicable, must be produced along with the scorecard.

\*\* Considered marks for multi-session papers.

Digital Fingerprint: d5e280c47464c42677e44c5a28d16907

March 23, 2016  
 Prof. Tirthankar Bhattacharyya  
 Organizing Chairperson GATE 2016 on behalf of NCB-GATE, for MHRD

The GATE 2016 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

- where,
- M is the marks obtained by the candidate in the paper, mentioned on this scorecard in GATE 2016
  - M<sub>q</sub> is the qualifying marks for general category candidate in the paper
  - M̄<sub>t</sub> is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
  - S<sub>q</sub> = 350, is the score assigned to M<sub>q</sub>
  - S<sub>t</sub> = 900, is the score assigned to M̄<sub>t</sub>

In the GATE 2016 score formula, M<sub>q</sub> is 25 marks (out of 100) or μ + σ, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2016 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Reading Skills	Level	Your Performance
Reading	High	<p>Test takers who receive a score at the <b>HIGH</b> level, as you did, typically understand academic texts in English that require a wide range of reading abilities regardless of the difficulty of the texts.</p> <p>Test takers who score at the <b>HIGH</b> level, typically</p> <ul style="list-style-type: none"> <li>have a very good command of academic vocabulary and grammatical structure;</li> <li>can understand and connect information, make appropriate inferences, and synthesize ideas, even when the text is conceptually dense and the language is complex;</li> <li>can recognize the expository organization of a text and the role that specific information serves within the larger text, even when the text is conceptually dense; and</li> <li>can abstract major ideas from a text, even when the text is conceptually dense and contains complex language.</li> </ul>
Listening Skills	Level	Your Performance
Listening	High	<p>Test takers who receive a score at the <b>HIGH level</b>, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms, or colloquial or figurative language), complex grammatical structures, abstract or complex ideas, and/or making sense of unexpected or seemingly contradictory information.</p> <p>When listening to lectures and conversations like these, test takers at the <b>HIGH</b> level typically can</p> <ul style="list-style-type: none"> <li>understand main ideas and important details, whether they are stated or implied;</li> <li>distinguish more important ideas from less important ones;</li> <li>understand how information is being used (for example, to provide evidence for a claim or describe a step in a complex process);</li> <li>recognize how pieces of information are connected (for example, in a cause-and-effect relationship);</li> <li>understand many different ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and</li> <li>synthesize information, even when it is not presented in sequence, and make correct inferences on the basis of that information.</li> </ul>

Speaking Skills	Level*	Your Performance
Speaking about Familiar Topics	Fair	Your responses indicate you are able to speak in English about your personal experiences and opinions in a mostly clear and coherent manner. Your speech is mostly clear with only occasional errors. Grammar and vocabulary are somewhat limited and include some errors. At times, the limitations prevent you from elaborating fully on your ideas, but they do not seriously interfere with overall communication.
Speaking about Campus Situation	Fair	Your responses demonstrate an ability to speak in English about reading material and experiences typically encountered by university students. You are able to convey relevant information about conversations, newspaper articles, and campus bulletins; however, some details are missing or inaccurate. Limitations of grammar, vocabulary, and pronunciation at times cause difficulty for the listener. However, they do not seriously interfere with overall communication.
Speaking about Academic Course Content	Good	Your responses demonstrate an ability to communicate effectively in English about academic topics typical of first-year university studies. Your speech is mostly clear and fluent. You are able to use appropriate vocabulary and grammar to explain concepts and ideas from reading or lecture material. You are able to talk about key information and relevant details with only minor inaccuracies.

Writing Skills	Level*	Your Performance
Writing based on Reading and Listening	Good	You responded well to the task, relating the lecture to the reading. Weaknesses, if you have any, might have to do with <ul style="list-style-type: none"> <li>• slight imprecision in your summary of some of the main points and/or</li> <li>• use of English that is occasionally ungrammatical or unclear.</li> </ul>
Writing based on Knowledge and Experience	Good	You responded with a well-organized and developed essay. Weaknesses, if you have any, might have to do with <ul style="list-style-type: none"> <li>• use of English that is occasionally ungrammatical, unclear, or unidiomatic and/or</li> <li>• elaboration of ideas or connection of ideas that could have been stronger.</li> </ul>

**THIS IS A PDF DOWNLOADED AND PRINTED BY THE TEST TAKER, INTENDED FOR THE TEST TAKER'S PERSONAL RECORDS.**

This score report provides four section scores and a total score. An analysis of your strengths and weaknesses in English is included. The level pertaining to each skill should not be generalized beyond the performance on this test. Skill levels and their associated descriptions are not intended for use by institutions as part of their admissions criteria and will not be shared unless you grant permission.

**Information About Scores:** The following scaled scores are reported for the TOEFL iBT test. A total score is not reported when one or more sections have not been administered. These scores have the following ranges:

**Institution Codes:** The code numbers shown on page 1 of this report are the ones you selected before you took the test. If any institution code you selected is missing, it was incorrect and the TOEFL® Program was unable to send a score report to that institution.

Sections	Scaled Scores
Reading	0-30
Listening	0-30
Speaking	0-30
Writing	0-30
<b>Total Score</b>	<b>0-120</b>

**Score Legends:**

Reading Skills	
Level	Total Scaled Score Range
High	22-30
Intermediate	15-21
Low	0-14

Speaking Skills	
Level	Total Scaled Score Range
Good	26-30
Fair	18-25
Limited	10-17
Weak	0-9

Listening Skills	
Level	Total Scaled Score Range
High	22-30
Intermediate	14-21
Low	0-13

Writing Skills	
Level	Total Scaled Score Range
Good	24-30
Fair	17-23
Limited	1-16
Score of Zero	0

DEPT.	WHERE THE REPORT WAS SENT
00	Admissions office for undergraduate study or an institution or agency that is not a college or university
01, 04-99	Admissions office for graduate study in a field other than management (business) or law according to the codes selected when you registered
02	Admissions office of a graduate school of management (business)
03	Admissions office of a graduate school of law

Additional information about TOEFL iBT scores can be found on the Test Takers section of the TOEFL website at [www.ets.org/toefl](http://www.ets.org/toefl).

\* Skill levels for speaking and writing individual skills are estimates of performance at the *item* level. The total writing and speaking scaled scores and ranges are more accurate. Therefore it is not appropriate to combine the individual skill levels. Doing so may lead to apparent inconsistencies between the diagnostic feedback and reported writing and speaking scores.

**IMPORTANT NOTE TO SCORE USERS:** This PDF score report was downloaded and printed by the test taker. It is not an Official Score Report sent by ETS directly to an organization designated by the test taker. If you find it necessary to verify the scores on this report, please contact the TOEFL Score Verification Service at +1-800-257-9547 or +1-609-771-7100. Scores more than two years old cannot be reported or validated.

March 27, 2015

Prof. Sounak Choudhury

Organizing Chairperson, GATE 2015, on behalf of NCB-GATE, for MHRD

The GATE Score is calculated using the following formula:

$$\text{GATE Score} = S_q + (S_i - S_q) \frac{(M - M_q)}{(\bar{M}_i - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this scorecard,

$M_q$  is the qualifying mark for general category candidate in the paper,

$\bar{M}_i$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper, (in case of multi-session papers including all sessions)

$S_q$  = 350 is the Score assigned to  $M_q$ ,

$S_i$  = 900 is the Score assigned to  $\bar{M}_i$ ,

In the GATE 2015 score formula,  $M_q$  is usually 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all candidates who appeared in the paper.

Qualifying in GATE 2015 does not guarantee either an admission to a post-graduate program or a scholarships/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

**QUESTIONS ABOUT THIS GRE EXAMINEE SCORE REPORT**

Information to help you interpret your GRE scores is available at [www.ets.org/gre/stupubs](http://www.ets.org/gre/stupubs). If you have any questions concerning this GRE Report of Scores, call ETS at 1-609-771-7679 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories\*, and Canada) between 8:00 a.m. and 7:45 p.m. EST or email [gre-info@ets.org](mailto:gre-info@ets.org). For information about interpreting your scores, consult **Interpreting Your GRE Scores**, which is available at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

\*Includes American Samoa, Guam, Puerto Rico, and U.S. Virgin Islands

**SCORE REPORTING**

Policies pertaining to score reporting and use are periodically reviewed and revised by the GRE Board. The policies and procedures explained in the 2013-14 *GRE Information and Registration Bulletin* are effective only for the time period of August 1, 2013 to June 30, 2014 and supersede previous policies and procedures in previous bulletins. GRE scores are reportable for five(5) years following the testing year (July 1 to June 30) in which you tested. Currently, GRE scores earned after July 1, 2008 are available.

**PERCENTILE RANK (% BELOW)**

The percentile ranks in this report indicate the percentage of examinees who scored below your score. Note that these percentile ranks may be different from those that applied when the scores were originally reported to you if the scores were earned prior to July 2013. This reflects annual updating of these data to permit admissions officers to compare scores, whenever earned, with those for a recent reference group.

**RETAKEING A GRE TEST**

You can take the GRE revised General Test once every 21 days, and up to five times within any continuous rolling 12-month period. This applies even if you canceled your scores on a test taken previously. You may take the paper-based GRE revised General Test and GRE Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

**SCORES NOT REPORTED**

"Scores Not Reported" is listed in the Report Date column of the Score Recipients section of your score report if one of three scenarios occurs:

- You requested scores to be sent to an undergraduate institution that does not receive scores.
- The code for the graduate institution you designated to receive scores is no longer active.
- Your reportable score record does not include scores for the requested test.

**MAJUMDER, SOHAM**

**Examinee Score Report**

Note: This report is not valid for transmission of scores to an institution.

**About Your GRE® Score Report**
**Score Reporting Policies**

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

**SAYAM GANGULY****Most Recent Test Date: September 12, 2013**

Date of Birth: July 19, 1989

Registration Number: 3077681

Print Date: February 16, 2018

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

**Percentile Rank (% Below)**

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

**Retaking a GRE Test**

You can take the GRE® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

**For More Information**

For information about interpreting your scores, see *Interpreting Your GRE Scores* at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at [gre-info@ets.org](mailto:gre-info@ets.org) or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).
