

NETAJI SUBHASH ENGINEERING COLLEGE

Techno City, Garia, Kolkata - 700 152

7.1.11. Number of initiatives taken to engage with and contribute to local community during the last five years (Not addressed elsewhere)

The very statement of vision and mission of the college includes "offer scientific and technological services to the society" and "contribute to the socio-economic development of the society through scientific and technological services". Clearly, the institute has, since its inception, considered the local community as an important stakeholder and strives to work for and with them whenever possible. The presence of the branch of a major nationalized bank and ATM is an example of this synergy. Within the radius of a couple of kilometers there was no banking network and services until a PNB branch is introduced within the college premise and with an accessibility for the local residents. This project was an outcome of the noble initiative taken up by the institution.

As the college is located in a semi-rural setting, hence it becomes a little difficult for the local inhabitants to access medical supports and services, when required. The college has introduced an ambulance service (24X7) for the all stakeholders including the local peoples. Taking into account the questionable nature of the local ground water resources, a heavily subsidized supply of RO Purified potable water is distributed from the medical unit of the college for the local inhabitants.

College has been the linchpin of the local economy through direct employability wherever possible – several staff members are preferentially recruited from the local community – and ancillary employment opportunities generated due to the very existence of this institute and the resultant demands of various goods and services from the three and a half thousand-sized body of students plus staff. The college has taken a number of initiatives to engage with and contribute to the local community.

The community development programmes can be broadly divided into two categories. The first is economic: the factors as stated above together with various short-term vocational courses organized for the underprivileged members of the local community as part of to improve the employability. The second is geared towards wellness. This category includes free health check-up and eye check-up camps as also voluntary blood donation camps. Of special note are the initiatives taken through the NSS unit of the college: the Swachh Bharat Abhiyan and the tree-planting drives. There is a scarcity of potable water in the locality and the ground water has traces of Arsenic. In light of this, college has instituted a system of water treatment and purification and this potable water is then supplied to the local community.

Blanket Donation Camp

Date: 24-01-2015

Blanket Donation camp was organized by BME Society-NSEC with active support from ABM Foundation at Sundarban K-Plot for under privileged citizens.

➤ **SELF-DEFENCE**

A workshop on self defence for women was organized in the college campus by Netaji Subhash Engineering College Employees' welfare association. It was conducted by 7th Chakra Arts for Self Preservation (7CASP), Kolkata. The chief instructor was Sifu Satyaki Gupta. Named after nirbhaya, this campaign sought to teach girls the meaning and application of self-defence when required.

➤ **Yoga camp**

A yoga camp was organized in the college campus in association with NGO HANUMANT WELFARE SOCIETY. Students from different streams participated in the event. A camp like this was necessary to live in peace for some time after the hectic and stressful lives we are all in.

➤ **Old Age Home Visit**

The students of Biomedical Engineering department also participated in the old age home visit, little sisters of the poor to help the old people there. They had gone there, talked with them and spent some time, to minimize a little of the loneliness that they always endure, and their blessing was what mattered the most.

Tree Plantation & Eco-ralies

A tree plantation drive & rally was organized by NSS unit at our college. Over 300 electrical students belonging to all years participated. They were given a chance to contribute to the environment, improve ecological aesthetics & spread awareness in the local community via this program. Students walked in and around the college locality to establish the "Go Green " campaign, i.e. ingrain the idea of using eco friendly techniques & to save trees for overall community betterment. Saplings were planted at the NSEC ground. A special thanks goes out to our director, Dr. H. K. Mandal; principal, Dr. (Prof.) Amal K. Ghosh ; Electrical Dept. H.O.D., Dr. (Prof.) Partha Sarathi Pal; NSS coordinator Prof. Agnibha Dasgupta; as well HODs of all other departments for allowing this event to materialize. This program could not have been possible without our fellow student organizers, Ayantika Mallik & Sudip Mondal.

EDUCATION & CAREER EXPLORATION WORKSHOP FOR HIGH SCHOOL STUDENTS

Organized by
ABMF Foundation in collaboration with BME Society, NSEC

Venue: Naba Ballygunge Maha Vidyalaya, Ballygunge, Kolkata

Date: 10th August 2014

Brief Report:

Education and Career Exploration Workshop was conducted for the socially disadvantaged high school students of Kolkata. This is to enhance overall academic performance of students (primarily girls) in middle and high school and prepare them for higher education and better career placement in future. Around 150 girls students from Jagadish Vidyapeeth for Girls, Kasba, Kolkata were attended the program.

Education and Career Exploration Workshop

High school students in uniform, registering at one of the registration desks

Annual scholarship given to Madhurima Dey (1st year/college freshman) to cover tuition fees; a village grocer's daughter - she wants to obtain PhD in Physics

Annual scholarship given to Julee Mondal (11th grade/High School Junior) to cover tuition fees and books expenses; a day laborer's fees and books expenses; a day laborer's daughter - she wants to pursue career in banking

Annual scholarship given to Malay Das (1st year/ college freshman) to cover college tuition fees; a tailor's son - he wants to be a Science teacher

Annual scholarship given to Kaushik Nath (11th grade/High School Junior) to cover tuition fees, book expenses. A day laborer's son – he wants to be a doctor

Four recipient of 2014 ABMF annual scholarships

volunteers with the scholarship recipients

Counseling provided by Ms. Sunita Das of Women's Polytechnic College (Kolkata) at the workshop

Counseling by Prof. Dr. S.Roy, Head, Deptt. of Biomedical Engineering, Netaji Subhash Engineering College

Dear Sir,

With respect to our earlier mail regarding the the observance of the **Vigilance Awareness Week'17 as per the directive of Central Vigilance Commission we request for your kind intervention urgently as per the updated message received from Indian Oil Corporation.** In line with our earlier request to nominate 10 nos. student participants from your department please advise the candidates to prepare a **Theme of Slogan Contest - My Vision - Corruption Free India"** & submit the slogan individually at T & P Cell by 2nd November'17(Thursday) within 12 noon positively. While our request to compile & share the details of the above 10 nos. nominated students (Name,Mobile No,Email Id) from your department remains unchanged.

The individual slogans to be received from the nominated students will be assessed and the name of the winners(1st,2nd,3rd) will be finalized by the competent authority of the college during a program to be held at A.P.C ROY HALL, NSEC on 3rd November'17 since 1 p.m. onwards. You are requested to be present during the above program and also advise all the nominated students to attend the programme on the above day. Also you may get in touch with Principal,NSEC for any further clarification related with the issue.

NOTE: The nomination desired for Bridge & Roof is separately required. Kindly mention the name of the company as applicable in the subject line of the respective emails.

Sub : Center Confirmation for GATE 2019 Examination

Dear Sir/Madam,

We are pleased to inform you that your college/institute has been selected as a center for conducting GATE 2019 examination. The examination will be held as per the schedule, given below:

Exam	Date of Exam	Forenoon	Afternoon
GATE	02-02-2019	09:30 AM to 12:30 PM	02:30 PM to 05:30 PM
GATE	03-02-2019	09:30 AM to 12:30 PM	02:30 PM to 05:30 PM
GATE	09-02-2019	09:30 AM to 12:30 PM	02:30 PM to 05:30 PM
GATE	10-02-2019	09:30 AM to 12:30 PM	02:30 PM to 05:30 PM

Please note that the Mock Test in presence of the IRs will be held on one day before the day of examination.

With reference to your consent received earlier, you have opted for RTGS as mode of payment. Your account details as recorded with us are given below.

Name of the Payee : Netaji Subhash Engineering College A/c IDF
 Account Number : 4885000100004312
 IFSC : PUNB0488500

Name of the Bank : Punjab National Bank
 Branch Code / Branch: [488500] N.S.Engg. College, Garia

In case of any discrepancy in the details given above, correct information may be intimated by email to gateoffice@adm.iitkgp.ac.in within TWO working days.

Please find enclosed document(s) regarding expenses under various heads. Please note that the center expenses will be sent phase-wise as per the examination schedule indicated in the table above and also as per your option for mode of payment.

The Institute Representatives will report to you well before the examination. They will carry the examination materials to the centre. Please feel free to contact GATE/JAM Office for any clarification.

For smooth conduct of the online examination, you are requested to contact the local police for security and electricity authorities for ensuring no power disruptions, at your center on the day of examination.

Looking forward to your kind cooperation for conducting GATE 2019.

Thanking you,

Fw: JOIN INDIAN NAVY - UNIVERSITY ENTRY SCHEME(UES) - 2019

Inbox x

From: Recruitment Officer <crto.enc@rediffmail.com>
To:
Sent: Wednesday, 11 July, 2018, 3:23:45 PM IST
Subject: JOIN INDIAN NAVY - UNIVERSITY ENTRY SCHEME(UES) - 2019

Dear Sir/Mam,
Greetings to you, Faculty and students of your esteemed institution.
The Indian Navy has again decided to open its doors for the students who could not join the Indian Navy earlier. It is in the form of University Entry Scheme (UES 2019). The final year students have been given the opportunity to join the Indian Navy as a Commissioned Officer (Permanent Commission in Executive branch) and Short Service Commissioned Officer in other branches. The registrations for the scheme have already opened on 01 Jul 18 and shall close on 31 Jul 18.

The campus screening to appear before the SSB (Services Selection Board) will start in the third week of Aug 17 till first week of December. The campuses in a particular city/state will be decided on the number of registrations from a particular institution. Those dates will be intimated to you and to the individual students who register, after the finalisation of schedules. With the experience from the previous years and because of the large numbers of aspirants, it has been decided to accept only those who have registered on line, for the screening. It is therefore imperative that the students be encouraged to decide now and register on line.

Looking forward to visiting your institution
and please find the attachment

With warm regards

Captain SC Das
Command Recruitment Officer (CRTO)

We are in process of compiling a data of existing Online Exam Centre Infrastructure for conducting online examination in Bihar, Jharkhand, West Bengal and Uttar Pradesh. The pre prerequisite criteria is capacity of minimum 150 online nodes with 10% extra for backup and previous examination experience. Please find below the details of **"Computing/Non Computing Infrastructure and Manpower requirement with Responsibilities of Examination Centre"**.

Please confirm your **willingness if interested to work in our association for conduction of examination**. Responsibility and requirement matrix is given below and we will keep updating you about any changes if any.

Exam Centre Responsibility (Local) –

- Identification of Exam centre In-charge
- Invigilators (Per 30 PC)
- Bio Metric Member Identification
- Support Staff
- Network Admin (Per 150 PC) & Systems Support (Per 150 PC)
- Network should be Isolated
- Full time Power Back-up (UPS/Generator)
- Client Machine readiness as per the specification with 15% buffer. System should have DHCP IP
- **2 PC required for Bio Metric Attendance with Internet facility**
- CCTV Cam at biometric room (Optional)
- Rough Sheet/Stamp Pad (Blue/Black)/Glue Stick
- Separator between 2 PC

Standard Non-Computing Infrastructure

- o Waiting Area for Candidates
- o Drinking Water Facilities
- o Adequate Washroom
- o Display Area for Seating arrangement at the Entrance of the Centre

Col.T.K.Datta <tkdatta@eduquity.com>Fri, Nov 16, 2018, 1:31 PM
to me, coe, coemakautwb

Prof. Debashree Dutta,

Please refer our mail dated 02 November 2018 in which we have requested for the allotment of computer labs for conduct of online exam for Comptroller & Auditor General of India (CAG) from 11 to 18 December 2018.

As desired by your college authorities, Col.T.K.Datta, Sr.Manager Operations, had a meeting with Prof. Haider Ali, Controller of Examinations, Maulana Abu Kalam Azad University of Technology , West Bengal on 15 November 2018 at 1pm. After explaining and discussing our requirement, it was expressed by the Controller of Exams, that the University had no objection for the allotment of computer labs to conduct online exams for CAG on the specified dates. However, it has to be accepted by the respective college authorities who would be providing their computer labs.

A request letter on the issue has also been handed over to the Controller of Examinations personally by Col.T.K.Datta.

In view of the above, you are kindly requested to confirm the availability of computer labs so that we can start the issue of admit card/hall ticket to the CAG candidates.

An early action is requested please.

--

Thanks & Regards

Col.T.K.Datta
