NSEC/ADMIN/SEMFEE/11/2021-22

**MESSAGE**

Students, the second wave of Covid 19 is sweeping across India and all of us are going through an unprecedented tough situation. But, the academic session for the even semester of 2020-21 has already commenced in digital mode from **26.04.2021**. The teachers (many of them being Covid positive and/or recovering from the disease) are exercising their untiring efforts in the endeavour of continuing with the teaching learning process.

But, our college is a self financed institute and the income of the college solely depends on the fees paid by our beloved students.

So, the competent authority of this self financed institute wants to draw your kind attention towards the **unpaid semester fees (of the continuing even semester) which is long overdue on 1<sup>st</sup> Nov, 2020 (1<sup>st</sup> January, 2021 for the 1<sup>st</sup> Year students).**

We therefore request you to **settle the payment which is due, at the earliest** for smooth continuation of the academic activities. In the present scenario **no late fine** would be claimed.

Students are advised to pay their semester fees within this week through college website ([www.nsec.ac.in](http://www.nsec.ac.in) →**PAY ONLINE**) only to receive the money receipt instantly.

The students who have paid or will be paying through various modes (online/offline) should ensure collection of receipt from the college. They are advised to send their proof of payment along with their name, stream, student ID and the semester for which they have paid the fees, via email at [accounts@nsec.ac.in](mailto:accounts@nsec.ac.in) for verification and generation of receipt, which will be sent to them via email.

Thanks are due to all those students who have already paid the fees and have collected the receipts. They may ignore this message.

This message as a notice for defaulter students will certainly convince them to understand the financial crunch of the institution which has to meet up a huge amount of expenditure for payment of salary of the staff and daily maintenance of NSEC. No staff of NSEC has been terminated even in this pandemic situation.

With the best wishes love and affection. May God bless you all.
