ICCE 2020 aims to bring together leading academicians, scientists, and researchers from around the world to exchange and share their research experiences. This will provide a premier interdisciplinary forum for scientists, engineers, and practitioners to present their latest research results, ideas, and applications. The conference consists of invited lectures and tutorials by experts, interactive sessions of high-quality contributory papers through oral and poster presentations. The best papers will be judged and awarded. Students are encouraged through a reduced registration fee. You are cordially invited to submit your paper and attend ICCE 2020.

**REDUCED REGISTRATION FEE**

For Students and IEEE Student/Professional Members. For more details, please visit conference website: [www.icce2020.in](http://www.icce2020.in)

**IMPORTANT DATES**

**Last Date for Paper Submission:** 15 May 2020  
**Notification of Acceptance:** 01 July 2020  
**Early Bird Registration:** 15 August 2020  
**Last Date for Registration:** 01 September 2020

**GENERAL TOPICS INCLUDE (BUT NOT LIMITED TO):**

**Track A: Computer/Information Science & Engineering**

Artificial Intelligence, Pattern Recognition, Cluster Computing, High Performance Computing, Distributed Computing, Cloud Computing, Cellular Automata, Internet of Things, Big Data Analysis, Data Fusion, Data Mining, Deep Learning, Machine Learning, Soft computing, Artificial Neural Network, Fuzzy Logic, Evolutionary computing, Rough Set, Swarm Intelligence, Natural Language, Processing Natural Computing, Computation Biology, Bio-informatics, Image and Video Processing, Computer Vision, Speech and Audio Processing, Brain Modelling, Social media mining, Web Mining, Text Mining, Business Intelligence, Computational Neuroscience, Cryptography and Network Security, Biometrics and Computer Forensics, Cognition.

**Track B: Electronics & Communication Engineering**

Wireless and Mobile Communication, RF & Microwave, Antennas and Propagation, Smart Antenna Systems, MIMO Systems, RFID systems, Solid State Devices and Nano-Technology, Optoelectronics, VLSI & Microelectronics, MEMS and NEMS, Embedded System, FPGA Design, Computer Networking, Error Control and Coding, Signal Processing, Speech and Signal Processing, Bio-inspired Systems & Instrumentations, Biomedical Image & Signal Processing, Medical Electronics, Video Technologies, Process Control, Brain Computer Interfacing, Biomaterials and Tissue Engineering, Optical Computations, Multi-valued Logic, Biomedical Control, Nonlinear dynamic Modeling, Transmission Line Fault Analysis, Process Instrumentation, Robotics & Instrumentation, Cognitive Radio.

**Track C: Electrical Engineering**

Energy, Power, AC/DC Drives, Power Controllers, Power Quality Issues and Solutions, Smart Grid, Micro Grid, Switchgear and Protection, intelligent control, Electrical Machines, Retrofitting of electrical machines, Process Control & Automation, Non-linear Control, Applications of Control Theory, Robotics and Control, Fuzzy Neural System, Industrial Measurement Techniques, Remote Sensing & GIS, Sensing and Sensor Networks, Green and Renewable Energy.

**Track D: Interdisciplinary**

Automation, Mechatronics and Robotics, Material Science, Green Manufacturing, Fuel cells, Air-conditioning & Refrigeration, Computational Methods, Industrial Engineering, Aerospace and Astronautics, Environmental Management and sustainability, Quantum Dot, nano-material/Nano-particle/Carbon Nanotube, Macromolecular sensors, Computational Biophysics.

**AWARDS:**

Best Paper Awards for Oral and Poster Presentations (Male & Female), Best Student Paper Awards (Male & Female), Special Awards for volunteers.

**EXHIBITION & SPONSORSHIP:**

ICCE 2020 will provide a unique opportunity for Industries to exhibit their products. More information is available on the conference website: [www.icce2020.in](http://www.icce2020.in)

**PAPER SUBMISSION:** Submission Link: [www.icce2020.in/submission](http://www.icce2020.in/submission)

\* All the accepted and presented papers will be submitted to IEEE Xplore for probable inclusion

➤ **Page limit:** 5 pages
