## Department of Applied Electronics & Instrumentation Engineering

Conducted under the guidance of Dr. Anuradha Saha, HOD and supported by mentor Dr. Animesh Bhattacharya, the department of Applied Electronics and Instrumentation Engineering (AEIE) is pleased to announce that the B. Tech 3<sup>rd</sup> year students have successfully completed a 4-day Skill Development Training Programme at the prestigious CSIR-Central Glass and Ceramic Research Institute, scheduled from 3<sup>rd</sup> to 6<sup>th</sup> February 2026. The programme is designed to offer meaningful hands-on exposure aligned with current industrial practices and emerging research trends. We sincerely thank CSIR-CGCRI for their warm hospitality and valuable knowledge-sharing during these training. We look forward to more such engaging, insightful and transformative learning experience in near future.
