CODE-O-WAR

&

AGILE FRAMEWORK WORKSHOP

Code-O-War is a competitive programming contest organized by Codechef - Netaji Subhash Engineering College Chapter in association with dept. of Information Technology on hosted at www.codeChef.com. This contest is purely based on programming and problem solving.

There will be two rounds, prelim and final. Prelim will be online and final will be onsite at college premises. Both the contests are private, so need to have link before sitting in the contest. You can take a sample test on 09-09-2019 from 10AM to 10PM.

Participation in the **Prelim (Online) round** is open for everyone. However only top seventy (70) rank holders in the Prelim (Online) round will be allowed to appear in the **Final (Onsite) round**. Top five (05) rank holders will be awarded and provided certificates also on 14th September'19 at APC Hall.

On 14th September'19 at APC Hall after Code-O-War a workshop on "**AGILE Framework and SCRUM development**" will be conducted from 12:00 PM. It will be conducted by Mr. Anand Pandey, Agile Consultant and Coach, Senior Manager, M/s Willis Towers Watson.
